## II. REMARKS

The Office Action dated August 28, 2006, indicates that claims 2 and 6 may be allowable if rewritten in independent form, and that 2 and 6 may be allowable because claim 4 claims dependency on claim 2 and claim 8 (sic 6) claims dependency on claim 8. The foregoing amendment carries out the Examiner's indication, and similarly does so with consolidated claims drawn from Applicant's PCT application PCT/US04/39041, to which the Examiner's attention is drawn.
